E.O.I. closes noon 23rd April

An impeccable property that oozes elegance and style, yet showcases a low maintenance family home with indoor/outdoor livability. The spacious residence offers multiple living areas including a large north facing family room that flows to a sizable screened verandah with bistro blinds and gas outlet for alfresco cooking. There's a superb galley kitchen and well appointed laundry. You may not find fairies at the bottom of the garden but you will discover a large double garage with mezzanine storage and a double carport accessed via 7.5m electric gate with large caravan or boat storage cleverly hidden from the house. All this less than 1km from the beach, parkland and bike track in a quiet part of Towradgi.
